2015.001 Berkeley Voice clipping and information file, ca. 1966-1985

This file consists of clippings, leaflets and some pamphlets mainly on political and Berkeley city issues from the late 1960s into the 1980s. The main thrust of this collection was to document Berkeley's many political issues of the period, by topic and also by name of organizations. There are many folders on various political groups, on Berkeley elections during this period, set of Free University of Berkeley catalogs, and many folders on the University of California, Berkeley.
