### Descriptive Introduction

**Title:** California Ethnographic Field Photographs.

**Date (inclusive):** 1900-1960

**Photographer:** Various

**Extent:** 2500 photographic negatives

**Repository:** The Phoebe Hearst Museum of Anthropology.  
Berkeley, California 94720-3712

**Language:** English.

### Provenance

Ethnographic photographs by various photographers in the collection of the Phoebe A. Hearst Museum of Anthropology are works made for hire.

### Access Restrictions

Original prints are restricted and may not be viewed unless permission is granted by the museum's Director. Photographs should be requested by their catalogue numbers.

### Digital Representations Available

Digital representations of selected original pictorial materials are available in the list of materials below. Digital image files were prepared from Museum prints by the Library Photographic Service. Museum negatives were used to create archival prints; the prints were scanned and the digital master files saved in uncompressed TIF format, with derivative files saved in JFIF (JPEG) format for use as viewing files.

### Publication Rights

Copyright has been assigned to the Phoebe Hearst Museum of Anthropology. All requests for permission to publish photographs must be submitted in writing to the museum's Director.

Copyright restrictions also apply to digital representations of the original materials. Use of digital files is restricted to research and educational purposes.
